

Future of Flight Scholarship Overview and Guidelines

Purpose: To help fund and encourage aspiring pilots through awarding scholarships for flight training at the Pittsburgh-Butler Regional Airport.

One \$2,500 and one \$5,000 scholarship will be awarded in January 2023. Additionally, under the same application, one resident of Butler County will be selected to receive the \$2,500 David C Howard Passion for Flying Award.

Qualified applicants must be pilot trainees at the Pittsburgh-Butler Regional Airport location of either AirQuest Aviation or High Flight Academy. Expenses which qualify for funding are the cost of any flight, ground, or simulator training, as well as books, materials and testing fees, at either of the two flight schools specified above. Funds will be disbursed directly to the school and must be used in the 2023 calendar year.

The scholarship committee will make a recommendation to the Authority Board for approval at the January board meeting. Recipients will be notified in writing and funds will be issued to the school as expenses are incurred.

Submit the following items by postal or hand delivery to Butler County Airport Authority, 473 Airport Rd Ste 2, Butler PA 16002, or by scanned attachment to an email to office@butlerairport.com. All requirements must be received no later than noon EST on November 30, 2022.

- 1) Completed application including, if under 18 years old, parent or legal guardian consent.
- 2) A one to three-page essay specifying your flight training history and past aviation activities, your plans for future flight training and what you want to accomplish with the license or certification to which you aspire. In addition, please indicate your accomplishments, personal challenges and need which make you particularly worthy of receiving the scholarship.
- 3) A one-page resume summarizing your academic achievement and any other honors, activities, and pertinent experiences that make you an ideal merit scholarship recipient.
- 4) Two letters of recommendation from non-relatives, which may be included or separately submitted.

Please direct any questions to Stacey Daugharthy at 724-586-6665 or office@butlerairport.com
